Events Committee

Sue Westerman Crime & Safety Chair

Crime & Safety Committee

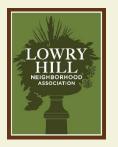

Mission

The mission of the Crime and Safety Committee of the Lowry Hill Neighborhood Association (LHNA) is to be proactive with increasing safety/reducing crime and reactive in speed of communication of crime incidents (specifically violent crimes). Ultimately, we want to live in a community that we all feel safe.

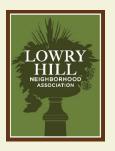

Know Your Neighbor

- Objective: Create a network is to increase accurate, timely communication specifically related to crimes within the neighborhood.... both on a block-by-block basis and across blocks
- Established January 2021
- Complements the city's "block captain" program, 85% of the blocks are represented.
- When notified of a violent crime, block leaders are emailed details of the incident and then they communicate with their neighbors. Note: We only communicate crimes if we receive information directly from someone present during the incident (not incidents from NextDoor,etc).
- · Block captains receive monthly crime statistics for Lowry Hill provided by the city.
- · Interested in being a block captain, let me know! Biggest gap is rental buildings.

Installation of Neighborhood Cameras

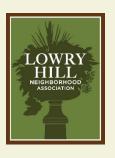

- •Partner with MPD in installing cameras. LHNA pays for the installation (\$7,000 per camera) and MPD covers all additional ongoing costs.
- •2020 installed 4 cameras along Hennepin in conjunction with East Isles & Uptown.
- •2022 planning to install 2 additional cameras: Irving and Franklin, Colfax & Douglas in Fall/Summer 2022

*returning

A few things before adjourning...

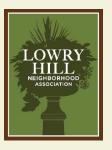

LHNA Future Funding

Should funding be increased? NRP reinstated? Let the city know.

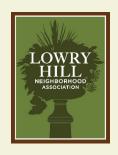

- Neighborhood & Community Relations (NCR) they submit a budget to Mayor Frey.
- Mayor Frey he can include more in the 2023 budget he submits to Council
 in August.
- **Lisa Goodman** ask council to look at funding the City provides to neighborhood groups.
